# Invitation to Tender: Garden Planning, Design, and Implementation Project

Dalton with Newton Town Council invites local companies to submit tenders for a unique opportunity to collaborate with the council, its staff, and councillors to plan, design, and construct a functional and aesthetically pleasing garden area within Dalton-in-Furness.

## Project Overview:

The selected company will be responsible for:

Engaging with council representatives to conceptualise and finalise a garden design that aligns with the community's needs and vision.

Developing a detailed design plan for the garden area.

Executing the design, including all necessary landscaping and construction work to bring the project to completion.

## Key Requirements:

Demonstrated experience in garden design and landscaping.

A track record of successful collaboration with local councils or similar organisations.

The ability to deliver high-quality work within agreed timelines and budgets.

## Submission Details:

Interested companies are invited to submit their tender, including:

A detailed proposal outlining your approach to the project.

Examples of similar projects completed.

A cost estimate and timeline for the work.

## Deadline for Submission:

Tenders must be submitted by 4th November 2024

## Contact Information:

For further details or to request the full tender specification, please contact:

Fiona Thomson, Town Clerk

Townclerk@daltontowncouncil.gov.uk

01229464000

We look forward to receiving your proposal and working together to enhance the community garden area for the benefit of Dalton-in-Furness.
