

Asset Register Statement

This Asset Register records land, buildings, infrastructure, and community assets owned or managed by Dalton with Newton Town Council. In addition, individual items of equipment with a purchase value of £250 or more are included.

Items below this value are not normally recorded unless considered significant due to their nature, location, or associated risk.

Assets are recorded at purchase cost where known. Gifted assets and land are recorded at a nominal value of £1. Assets are not revalued annually.

The Asset Register is reviewed annually by the Council.
